VET Reform Agenda

Unique Student Identifier is part of supporting:

• Skilled and mobile labour force
• National training provision and recognition
• Contestable government funding
• Consistent national quality assurance
• Supported by legislation
• Introduced From 1 Jan 2015

The USI Benefits:
• Students – for job application and further training
• Training providers - enrolment, recognition of prior learning
• Employers – recruitment
• Regulators – profiling risk and targeting audits
• Program managers/policy makers – streamlined data collection, better policy and program design
