ACPET values professional development and to encourage the ongoing use of PD we have developed two webinar pricing options that make PD more affordable.

PD Pricing Plan

This is our most popular package as ACPET's PD Pricing Plan gives unlimited access for all staff to all live and pre-recorded ACPET webinars for a one off payment. The PD Pricing Plan is equitable to all members regardless of how big or small, as the pricing is based on membership category and valid for one year. A PD Plan allows all staff within your organisation to increase their skills and knowledge by undertaking regular professional development throughout the year.

Membership category	Gross turnover	25% offer Special
2 & 3	Up to \$500,000	\$1,125
4	\$500,000 to \$3 mil	\$1,500

6	\$8 mil to \$15 mil	\$3,000
7	\$15 mil to \$30 mil	\$3,750

Pre-pay deals

ACPET has created customised solutions for your PD needs by giving organisations the opportunity to pre-purchase webinars at greatly reduced prices. Take advantage of the following pre-purchase options, as with these great prices, staff can undertake PD throughout the year, as all pre-purchased webinars are valid for 12 months.
