

# TOP ASQA COMPLIANCE CONCERNS

ASQA has recently identified the following four main areas of non-compliance:

- **Assessment**
- **Amount of training – short course duration**
- **Validation**
- **Capability of trainers and assessors**

To support your organisation in addressing these five topic areas we have created a range of pre-recorded webinars. We realise attending webinars at a set time is not always possible, so we have pre-recorded webinars, giving participants the flexibility to view webinars at a time that suits them. Each webinar runs for a maximum of one hour, making it possible to upskill without spending hours attending a workshop.

## COMPLIANCE

- Quality in assessment – the quality series
- Clustering units for delivery and assessment
- Keys to best practice assessment tool design (available from 16 June 2017)
- Elements of a compliant TAS
- Techniques for clustering units for delivery and assessment
- Techniques to help you successfully map your assessments
- Empowering assessors in conducting RPL
- 10 ways to build interaction into online learning
- Digital e-learning tools – what's out there

## AMOUNT OF TRAINING

- How to manage Volume of Learning requirements (available from 5 May 2017)

## VALIDATION

- Validation – the requirements and how to effectively implement them
- Validating training and assessment with industry
- Validation – using online tools to support the validation process
- Validation scheduling and sampling

## CAPABILITY OF TRAINERS AND ASSESSORS

- Training games to support learning transfer
- Structuring your content for great results
- Effective training techniques – understanding how to use CORE – Closers, Openers, Revisitors and Energisers
- How to get people onsite ... FAST!
- 11 ways to manage difficult behaviours in the classroom
- Nine ways to attract and maintain the attention of your audience
- Seven ways to get your audience back on time
- Online tools – simple and easy tools that can be used to enhance teaching in the classroom

Individual webinar recordings are \$60 for members and \$88 for non-members. Visit the ACPET website to take advantage of our range of pre-purchase packages that make webinars even more affordable.

To purchase a webinar recording please call 1800 657 644 or email [pd@acpet.edu.au](mailto:pd@acpet.edu.au)
